

PRACTICAL INFORMATION

Below are some practical tips regarding your visit:

1. The visitor parking is located in front of the Chouffe Shop.
2. Please arrive 15 minutes before the start of the visit at the Chouffe Shop during the week, and at the Chouffe Chalet on weekends or during holiday periods (Achoffe 8, 6666 Wibrin). The guide will welcome you there.
3. Please bring your booking/payment confirmation with your reservation number. You can show it on your phone as well; this is our way of contributing to the preservation of our beautiful planet.
4. The brewery tour, including the historical explanation and the brewing process, lasts 45 minutes, followed by a 45-minute tasting of our excellent beers at our Auberge des Lutins. In total, the activity lasts one and a half hours.
5. Our professional guide will explain the brewing process. To make sure you don't miss anything, please pay attention to their presentation!
6. You are visiting a production site. Children are, of course, welcome. However, the brewery tour is an activity designed for adults.
7. Pets are not allowed in the Chouffe Shop or the Auberge des Lutins to comply with hygiene standards in the food industry ([Afsca](https://www.afsca.be/)).
